### ADDISON COUNTY COURT

**Verdict for Defendant in White-  
 Lavarn Case.**

After a vacation from July 1 the  
 County Court got back to work at two  
 o'clock Monday afternoon and is still  
 in session.

The first case taken up was Ira White  
 vs Howard Lavarn. These parties be-  
 long in Bristol. On Sunday, October  
 5, 1913, they went hunting together  
 but separated towards evening and  
 went in different directions. Finally  
 Lavarn, mistaking White's gray cap  
 for a gray squirrel, fired at it and put  
 thirteen No. 4 shot into White's fore-  
 head, eight into his face, four into his  
 chest and one into his right eye. This  
 last shot, White claimed, has destroyed  
 the sight of the eye and impaired his  
 capacity for earning his living at his  
 trade as a stone mason. He asked the  
 court for \$2000 damages, but the court  
 on Tuesday afternoon decided against  
 him and gave judgment in favor of the  
 defendant. M. C. Taft of Bristol and  
 J. W. Page of Burlington were the  
 plaintiff's attorneys and J. G. Page of  
 Bristol and James B. Donway of Mid-  
 dlebury represented the defendant.

The chancery case of W. H. Dean vs  
 Herbert A. Cuisson et al was started on  
 Wednesday. This is a foreclosure case  
 and the mortgaged property is located in  
 the vicinity of Lake Dunmore, in Salis-  
 bury. George W. Stone of Vergennes  
 appeared for the orator and Leroy C.  
 Russell of Middlebury represented the  
 defendant. The judgment has not yet  
 been announced in this case.

### PROFESSOR WRIGHT'S LECTURES

Not only patrons of the Summer Ses-  
 sion, but many residents of the village,  
 will be pleased to know that Professor  
 Wright has been induced to give a  
 series of five lectures in connection with  
 his course at College, dealing with the  
 principles of Poetics. The general title  
 of the series is "Some Types of English  
 Verse." The opening lecture was given  
 Wednesday evening in the Eng-  
 lish Room of Old Chapel, on "The Pres-  
 ent Worth of Poetry," and was largely  
 attended. These lectures will be held  
 on Wednesday evening of each week at  
 eight o'clock, in the English Room.  
 These lectures are open to the public  
 free of charge, and any person who  
 may be interested are cordially invited  
 to attend.

### THOMPSON-STURTEVANT.

A pretty wedding occurred on Wed-  
 nesday evening at the Baptist parson-  
 age, Rev. R. E. Whittemore officiating.  
 The contracting parties were Miss  
 Beatrice D. Sturtevant, daughter of  
 Mr. and Mrs. Clarence E. Sturtevant  
 of New Haven and Leo F. Thompson of  
 Rutland. The bride was becomingly  
 arrayed in a gown of white silk, and  
 was attended by Miss Lillian Myers of  
 Middlebury. The single ring Episcopal  
 service was used. Mr. Bernice Sturte-  
 vant, brother of the bride, attended the  
 groom. None but the immediate rela-  
 tives of the bride were present. After  
 a short trip Mr. and Mrs. Thompson  
 will make their residence in Rutland, Vt.

### CELEBRATE 60TH WEDDING AN- NIVERSARY.

Mr. and Mrs. Thomas F. Buckley cele-  
 brated the sixtieth anniversary of  
 their marriage at their home on North  
 Pleasant street Sunday, July 9. Mr. and  
 Mrs. Buckley, who was Elizabeth Roche,  
 were married in the Catholic Cathedral,  
 Burlington, July 9, 1856, by Rev. Fr.  
 Lynch. They have made Middlebury  
 their home nearly all of their wedded  
 life. Nine children were born to them,  
 five of whom are living. Mr. and Mrs.  
 Buckley are enjoying good health and  
 received the congratulations of their  
 many friends.

### DR. LAMSON HONORED.

Rev. Dr. Guy C. Lamson of Phila-  
 delphia, Pa., formerly of Brattleboro  
 and at one time a Baptist minister in  
 Montpelier, has been given the highest  
 salaried position in the Baptist de-  
 nomination, that of general secretary  
 of the American Baptist Publication  
 society. He will assume his new duties  
 August 1. He succeeds Dr. A. J. Row-  
 land, who has held the position 22  
 years. Dr. Lamson is a graduate of  
 Middlebury College in the class of 1896.

### HAD GAMBLING MACHINES.

Deputy Sheriff Noble J. Sanford,  
 who arrested Frank Meehan on the  
 charge of intoxication, to which Meehan  
 pleaded guilty and was fined \$15 and  
 costs, which he paid, went to Mr.  
 Meehan's home, which is at Meehan's  
 park, Lake Dunmore, and searched the  
 place, finding five machines. They  
 were taken into court and adjudged  
 gambling devices and Mr. Meehan was  
 fined \$50 and costs for having them in  
 his possession. He paid the fine and  
 was allowed to go.

States Attorney Allan R. Sturtevant  
 prosecuted in both cases.

### SUMMER SESSION OPENS.

**Registration Largest in History—  
 German School Opens**

The eighth Summer Session of Mid-  
 dlebury College opened on Monday,  
 with a larger registration than ever  
 before. We print below the registra-  
 tion up to the time of going to press.  
 The German School was postponed one  
 week because of unavoidable delays in  
 the completion of Hepburn Hall, but  
 practically all of the German School  
 will be in attendance. There are al-  
 ready sixty-two students registered for  
 this school alone. This number, with  
 the large staff of instructors, will pretty  
 completely take up the accommodations  
 of the building.

On Tuesday evening following the  
 usual custom, an informal reception  
 was held at the social rooms in Pearsons  
 Hall, which was largely attended by the  
 students. A delightful evening was  
 spent in listening to the songs by Miss  
 Monroe, Miss Lott and Professor  
 Williamson. Important announcements  
 were made, particularly of lectures to  
 be given by Professors Collier, Wright  
 and Williamson. Special mention is  
 made of these in another column.

An examination of the registration  
 list will indicate that Middlebury is  
 drawing from widely separated parts of  
 the country, and as has been the case  
 for several seasons, the attendance  
 this year is made up quite largely of  
 teachers of maturity and ripe experi-  
 ence. All classes are well patronized,  
 and there is every promise that the  
 eighth session will surpass all previous  
 records in point of quality of work ac-  
 complished as well as in number.
